Coverdale CLINICS

BioScript Solutions

Specialized migraine care, close to home

bioscript.ca

Making patients feel at home for over 20 years

Since 2001, Coverdale Clinics has grown into a national network with over 100 locations and more than 300 nurses.

100+
Locations across Canada

300+
Nurses and growing!

The team you can count on

Coverdale Clinics provides migraine care at more than 100 locations across Canada, making it easier to access care where and when you need it.

Our experienced nursing teams administer migraine therapies in comfortable environments designed to support your well-being.
