

Specialized migraine care, close to home

bioscript.ca

Making patients feel at home for over 20 years

Since 2001, Coverdale Clinics has grown into a national network with over 100 locations and more than 300 nurses.

100+

Locations
across Canada

300+

Nurses and
growing!

The team you can count on

Coverdale Clinics provides migraine care at more than 100 locations across Canada, making it easier to access care where and when you need it.

Our experienced nursing teams administer migraine therapies in comfortable environments designed to support your well-being.

Our services

As one of Canada's leading infusion and injection clinic networks, we offer:

Migraine treatments and biologic therapies

Injectons and infusions

Blood sample collection and specialty testing

Personalized support and education

CALM Clinics: Enhanced care for people living with migraine

Discover our Centres for Advanced Leadership in Migraine Care (CALM) Clinics. These specialized locations offer additional migraine-focused amenities thoughtfully designed around the needs of people living with migraine and feature:

Private, quiet treatment rooms

Darkening blinds and dimmable lights

Mindfulness and relaxation practices
